## RECYCLING

At Kloof Senior Primary School our recycling programme is an important part of our children's school experience. The children can win prizes each term for their efforts, but more importantly it teaches them the essential life lesson that small changes of day to day habits can lead to responsible treatment of the environment – something all of us, young and old – should be very concerned about.

At KSP recycling is co-ordinated by Mrs. Melody Morris and happens in the mornings from 07h00 until 07h45 . Points are allocated to the children as they bring the goods in for recycling and any parents willing to assist would be gratefully welcomed!

The following items can be dropped off at KSP (Patrick Duncan Road) for recycling. (Please attach this notice to your fridge!)
