**Newsletter**

**15 April 2010**

**Dear Parents,**

We would like to welcome everyone back after a restful first term break and inform you of the following:

### **KwaZulu-Natal Health Department**

We advise that on the Wednesday 21 April the KwaZulu Health Department will be visiting the school to inoculate against Polio and Measles. If you would like your child to receive the vaccines you will be required to complete the attached Consent form which should be returned to the class teacher by Monday 19 April. Unfortunately no child will be inoculated without this completed form.

### **Chess Coaching**

We are pleased to advise that Chess coaching will take place every Tuesday morning from 7:15am to 07:45 in the Media Centre. These sessions, starting on Tuesday 20 April will cater for beginners through to advanced players and everyone is welcome.

### **Reading Moms**

A special thank you to those moms who read with children last term. At present 11 children are receiving valuable extra reading practice, but we are looking for more Moms or Dads to help out in this regard. Most of the reading is done from 07:15 – 07:45 before school begins, but this can be fitted into the school day if you are available later for ½ an hour. Please contact Gail on 0839901312 or on 031 7640441 for more information.

**Report : Gail Ross Extra Reading Co-ordinator**

### **Swim-a-thon**

The final date for the Swim-a-thon fundraising collection has been set for 30<sup>th</sup> April 2010 and parents are asked to please ensure that all monies and forms are submitted by then. Thank you for your support.

### **Football Friday**

Please find attached an order form for the T shirts that we will be allowing the children to wear each Friday during the months of May and June. Please note that money must be paid together with the order forms and handed into Mrs. Boyter in the Smartroom before school starts on Friday 16 April.

### **Admissions – Kloof High School**

To ensure placement, Grade 7 pupils wishing to attend Kloof High School next year are asked to please submit their applications as soon as possible. Forms are available from Kloof High.

### **Excursions**

We have three educational excursions planned for this term. Our Grade 4 children will be going on a day trip to El Olam farm in Eston, our Grade 6s to Highover Wildlife Sanctuary in Richmond and our Grade 5s to uShaka Marine World. These excursions are exciting and involve fun team building and leadership exercises as well as many other activities which the children always enjoy.

### **School Fees**

Once again parents are reminded that the school cannot accept cash payments in excess of R50,00. All payments should be deposited directly into our bank account, paid by cheque or electronically.

**Banking details :** **FNB Kloof Branch Code – 221526 Account No : 507 3030 2424.**

**(Reference : must reflect your child's name** This is done for security reasons and unfortunately any cash received will now have to be returned to parents. Thank you for your co-operation in this regard.

### **Homework Centre**

Please be advised that, as we do have vacancies from time to time, parents wishing to take advantage of this facility are asked to please contact the office to complete application forms.

### **KSP Cares**

Throughout the year, KSP supports various needy causes and tries to bring some cheer to those less fortunate than ourselves. As winter approaches we are appealing for wool donations and also encouraging everyone to knit squares for baby blankets or “Aids’ baby jerseys. The patterns for the Aids jerseys are available at the office. For those wishing to knit squares, you will need double knit wool, size 7 needles and to cast on 30 sts to complete a square.

Thank you for your support!

### **Recycling**

Reminder of our days –

Tuesdays: Glass & Ink Cartridges    Wednesdays: Cans    Thursdays: Cardboard    Fridays: Paper

#### **Did you Know?**

**95% of empty printer cartridges end up in the landfill sites. It can take up to 1.5 litres of oil to produce a new toner cartridge from scratch. This is bad news for the environment.**

### **Cell Phones**

If it is absolutely necessary for your child to bring a cell phone to school, it must be handed into the office each morning or it will be confiscated. We remind parents that the school cannot be held responsible for the safekeeping of any phones or valuables brought to school.

### **My School Card & Makro Fundraising**

We are very pleased to advise that KSP received R1 385,00 from the Makro fundraising drive and thank all those parents who are supporting this initiative. We also remind everyone to please keep swiping the My School Cards. We appreciate your support and for more information please contact Mrs. Boyter in the office.

Please complete the order form and, together with the money, submit to Mrs. Boyter on Friday 16 April in the Smartroom. She will be there from 7am, with samples of the T shirt should your child not be a 'standard' small, medium, large or extra large size.
