Dear Parents,

Kloof Senior Primary Smart Room

We are extremely excited and proud to advise that the new Smart Room, fully equipped with Smart Board, computer software and furnishings has now been completed. Teachers are currently attending Smart Board training and we look forward to sharing this exciting teaching facility with the pupils of KSP. Thank you to everyone concerned for their support and assistance with this wonderful project.

Musical concert at Makaranga Lodge

As in previous years, our choir will be taking part in Music in the Hills at Makaranga Lodge on Sunday 6th June. Please diarise this date if you would like to enjoy this very popular music festival. Ticket sales and other details will follow at a later date.

Extra murals – Top field

We advise that a decision has been made that no teachers will remain at the Top Field after 3:20 pm. in the afternoons. Children who are collected late from extra mural activities, will be returned to school for your collection.

Match fixtures

As the school is finding it increasingly difficult and time consuming to sort out individual transport arrangements, parents are asked to please arrange/organize lifts for their own children to travel to and from match venues. In future we will be unable to assist with this aspect. Thank you for your understanding and support.

Swim-A-Thon

A reminder that all outstanding money and forms should be submitted by Monday 10 May.

My School Card

Thank you to all those parents who are diligently swiping their cards. On average, the school receives R700,00 per month which is a wonderful form of fundraising.

KSP Cares

1000 Hills Community Helpers

With all the schools closing during the World Cup, the 1000 Hills Community Helpers are expecting an influx of between 400 – 700 additional children requiring food every day, over and above the normal 1000 plates of food handed out daily. These additional children normally receive a plate of porridge at school and an urgent appeal is being made for packets of mealie meal to be contributed. These may be dropped off at school any time.
Thank you for your on-going support!

If anybody would like to assist with the knitting of 'Aids' baby jerseys we do keep the pattern for the jersey in the office. For those wishing to knit squares, you will need double knit wool, size 7 needles and to cast on 30 sts to complete a square.
