19 August 2010

Dear Parents,

Strike Disruptions

We would like to thank parents for their understanding and support during this difficult time. We will continuously communicate with you via sms and urge parents to please advise us if cell phone numbers change.

Governing Body By Elections

At the Governing Body By Election held on Tuesday 17th August, Mr. John Murch was duly elected onto the KSP Governing Body and we would like to take this opportunity to thank him for his involvement and support of our school.

Speech and Drama Festival

This festival will take place on Monday 6 September to Friday 10th and the Speech and Drama Association of South Africa will provide a professional adjudicator to assess and guide our learners oral performances. We look forward to some pleasing results and are very proud of the children who have entered.

News from our Music department

We are very excited to advise that we have recently taken delivery of a bass Marimba and a combination Marimba to be used by all the children.

Nashua Dolphins

“My Team Our Team” - This road show will be visiting our school on 10 September at 10:30 and offers our children a truly wonderful opportunity to meet some of the Dolphin players like Hashim Amla, Imran Khan and Jon Kent who started out by playing cricket at school. We know everyone at KSP will be looking forward to this special event.

KSP Cares

In support of the Society for the Blind we will be having a civvies day on Friday 3rd September. The charge will be R5,00 and all proceeds will go to the society. Thank you for your support.

Recycling

Did you know?

Recycled tin is so pure that it is used to make stannous fluoride
the ‘cavity fighter’ in toothpaste

Lost Property

There are many marked and unmarked items of clothing presently in our ‘lost property’ room which will have to be re-distributed at the end of the year.

Pedestrian Crossing

We ask all our parents to please exercise extreme caution when approaching our pedestrian crossings. We do appreciate there is an acute problem with congestion, but look forward to your co-operation and understanding.

Cell Phones

A reminder that the school will not be held responsible for the loss or damage of any cell phones or valuables brought to school. Cell phones are to be handed into the office each morning for safekeeping.
